ModerniseYourStairs
Staircase Renovations & Under Stairs Storage

Imagine transforming your existing staircase into a feature staircase, with no mess, no fuss and no building work. Modernise Your Stairs replace almost every part of your staircase, turning it into a stunning focal point in your home. Using contemporary glass and steel or striking hardwoods.

With their team of highly trained carpenters and installers, they travel the length and breadth of the country modernising tired old staircases and transforming them into stunning centre pieces. They take pride in their reputation that's been earned over two decades for providing a great installation service for both quality staircase renovations and bespoke under stairs storage systems — then leaving you with a stunning piece of craftsmanship.

Throughout the installation of your staircase renovation or under stairs storage system, their skilled and tidy installation team never forget they are working in your home and will always treat it with the utmost care and respect. They are so confident in the quality of their product that they back their staircase renovations with a 10-year guarantee.
